09. SCORING, TIEBREAKER AND DRAW SYSTEM

For the **group stage**, the classification will be organized first by the maximum number of **victories that will award 3 points**, then by the **number of draws that will award 1 point**.

After the group stage there will be a general classification with all the teams, and the **playoffs** will be held, depending on the number of teams registered **there will be more or less qualified teams**.

In the playoffs there is a condition: you will not be able to face a team that has been in the same group in the first phase.

If that happens, in the event that the first 8 will go to the playoffs, if the 1st had already faced before against the 8th, the 1st would jump to play against the 7th classified, and the 2nd against the 8th, checking in the same way that these two have not already played in the previous phase.

That criterion will also be followed for the semifinals for the lower places (for the semifinals in the top four not), trying to make the teams play with the largest number of different opponents.

Following this method, **the organization will define the pairings after the end of the group stage**.

In the **knockout phase**, if after a match **the tie persists**, the match will be decided in **extra time**. For the extension, the regulatory method of sudden death will be followed, that is, extra points will be made directly to tiebreak.

Note: All teams wishing to have a position in the ranking **must play all their matches**, forfeit and / or agreements are not allowed to make the matches. The team that decides not to continue with the tournament and is in the ranking phase, will automatically occupy the last position of it.

GROUP DRAW POTS: The draw **will be announced in advance** and will take place on the Alliance Flag Football **YouTube channel**.

10. COEXISTENCE

On the last day of competition will be held the awards ceremony of the event for athletes outstanding in:

- Regular Phase Defense MVP
- Regular Phase Offense MVP
- Final MVP

The champions will receive **medals** and their respective **World Champions trophy**.

The team that finishes **second will** be awarded a **trophy**.

11. FREQUENTLY ASKED QUESTIONS

1. If you go as a companion do you have to pay the amount of \$ 325?

Yes, it is a closed price for all staff, whether player, staff or companion.

2. Is transportation only for players and staff?

No, **transportation is for everyone**, including companions.

3. Can you be in the sidelines to take photos or videos?

Only people previously authorized by the organization may be in the sidelines, if the corresponding accreditation is not contained, they will have to be in the stands or outside the football field.

4. What places does the transport provided by the organization cover?

It only covers the journey between the following three places, **airport, camping and sports complex**.
